**TORNADO
REFUGE
SITE
ASSESSMENTS**

Keystone Learning Services is proud to offer Tornado Refuge Site Assessments as required by the Kansas State Board of Education.

Our process includes:

- **Visual screening and assessment to select the appropriate refuge area for each building**
- **Each building ranked according to FEMA approved assessment checklists**
- **Ranking of each building to determine which would require retrofitting solutions with cost estimates**
- **Assessments conducted by our staff of building professionals with over 80 years of combined experience in the areas of building and construction**
- **Each school district provided with a comprehensive report as outlined by KSDE, with recommendations for each building in your district**

*Competitive
pricing &
group discounts*
