ITEM VII: LENGTH OF CONTRACT

SECTION A: It is agreed that the yearly contract for all certified/licensed teaching personnel of the Northeast Kansas Education Service Center shall consist of a maximum of one hundred ninety (190) days and a minimum number of days/time to fulfill state special education requirements for full categorical aid reimbursement. When possible, all teachers will be granted at least one (1) day before their one hundred eighty (180) teaching days solely for classroom preparation and one (1) day after their one hundred eighty (180) teaching days for completing records.

SECTION B: The number of contract days may be shortened to provide the teacher the opportunity to attend the first day of classes for summer school. Approval will be given by the director and a request will be filed in writing by the teacher on or before May 1st. All student instruction must be completed and all reports filed with the executive director.

SECTION C: School Closure. Teachers shall not be required to work when school(s)/district(s) are closed because of inclement weather, building or district emergencies or other catastrophic events and pay or contract days will not be reduced. The NEKESC staff member will follow his or her assigned district's policy for its staff in regard to making or not making up lost days/time in accordance with state special education requirements.

SECTION D: The contract will note the specific date on which the first day of the school year commences for the certified/licensed employee.

SECTION E: Teachers working less than the number of days for which they are contracted are not eligible for additional, per diem or hourly compensation for professional development activities.

ITEM VIII: GRIEVANCE PROCEDURE

SECTION A: The purpose of this procedure is to provide for a prompt and orderly adjustment of grievances at the most informal level.

SECTION B: A grievance shall mean any alleged violation, misinterpretation or misapplication of the terms of the negotiated agreement.

A grievant is the teacher, or teachers affected by a violation involving interpretation or application of the terms of the negotiated agreement.

A party in interest is the grievant making the complaint and any person who might be required to take action or against whom action might be taken in order to resolve the grievance.

The term "days" when used in the procedure shall, except where otherwise indicated, mean working days; thus Saturday, Sunday, holidays and vacation days of the aggrieved person are excluded.

SECTION C: A "grievance" should first be discussed by the party or parties in interest with the objective of resolving the matter informally. In the interest of employee morale and employer-employee relationships, the grievances should be processed as rapidly as feasible; hence, the number of days indicated at each level are considered as a maximum. The parties in interest shall act in good faith to expedite the process. The time limits may be extended by written mutual agreement; however, failure of

the administrative official to render a decision within the time limits indicated automatically authorizes the grievant to proceed to the next level with his/her grievance.

All grievances must be initiated within fifteen (15) calendar days after the grievant first becomes aware of the act or condition, which is the basis of the grievance.

At all levels of the grievance procedure, a grievant may: a) discuss the grievance personally; b) be accompanied by a representative; c) provide written authorization to have a representative(s) act in his/her behalf.

At all levels of the grievance procedure, the final decision will be recorded on the Grievance Decision form and signed. The grievant's signature does not necessarily indicate agreement with the decision, but only that it has been read.

PART ONE: Any grievant who has a concern to be addressed by the executive director, may set up an appointment to meet informally at a time of mutual convenience. The employee may elect to be accompanied by one or more representatives.

PART TWO: The grievant shall present his/her grievance in writing to the executive director and Association president. The executive director shall meet with the grievant in an effort to resolve the grievance. Such meeting will take place within five (5) working days after receipt of the written grievance by the executive director. Within five (5) working days after the hearing of the grievance, the executive director shall make his/her decision in writing to the grievant and Association president.

PART THREE: If the grievant is not satisfied with the disposition of the grievance in Part Two, he/she may appeal to the Board of Education. The grievance must be referred to and decided by the Service Center's Board of Education within twenty (20) days following the filing with the Clerk of the Board. This time may be extended by mutual written consent of both parties.

Any grievance dispute which is not resolved at the level described in Part Three under the Grievance Procedure herein may be appealed to the District Court as provided by statutes.

SECTION D: No reprisal of any kind will be taken by the Board or any member of the administration against any party filing a grievance or against any other participant in the grievance procedures. Any party of interest may be represented at any or all stages of the grievance procedures by a person(s) of his/her own choosing.

ITEM IX: LEAVE FOR CERTIFIED TEACHERS

SECTION A: Ten (10) days, five discretionary and five sick, of leave (accrued one per month August through May) will be allotted for each full time certified/licensed teacher on the first day of their contract available for use at anytime. These days will be prorated for certified/licensed teachers contracted after the start of said school year. Teachers who work less than full time will have their leave days prorated in a ratio equivalent to the amount of their contract time. If a teacher in any given year resigns or terminates before fulfilling their contract and has been paid for un-accrued days, the final paycheck will be adjusted to pay back un-accrued days. For discretionary days, prior notice of 48 hours is to be given to the building principal when possible. At the end of the school year, any unused leave will be accumulated to seventy (70) sick days or placed in the sick leave bank to pay back days borrowed. The monthly accumulation of discretionary/sick leave will be provided each teacher with the monthly payroll check.

SECTION B: Definitions, Personal Leave - A maximum of two (2) days of personal leave will be granted each teacher per year. A request of prior notice of 48 hours is to be given to the building principal when possible.

SECTION C: Professional Leave - Professional leave is for the purpose of attending conferences, in-service institutes and inter school visitations designed to improve the competency of the teacher in the teacher's areas of specialization or areas identified as needed areas by the executive director. All professional leave shall be requested on forms provided by the executive director. The approval of a service center administrator must be obtained prior to taking professional leave.

SECTION D: The Board of Education will grant leave identical to the current parental leave for those employees who adopt a child.

SECTION E: The current Board of Education Parental leave policy will continue in effect for the term of this agreement.

SECTION F: At retirement with Northeast Kansas Education Service Center, and proof of retirement according to KPERS, the teacher will be reimbursed a maximum of forty (40) days of accumulated Sick leave at the daily substitute pay rate. The teacher must submit, in writing, intent to retire on or before March 1 to be eligible for this benefit.

SECTION G: Emergency Leave - A maximum of one (1) day emergency leave will be granted to each teacher. Emergency leave is defined as leave provided for business or activities, which cannot be conducted during time outside of school. Requests for this leave must be made orally to the administration of the Service Center with written explanation to follow as soon as possible. Emergency leave is nondeductible and noncumulative. Emergency leave is granted only if all other applicable leave is exhausted.

SECTION H: Association Leave - The Service Center shall grant the SETA a pool of five (5) teaching days to be used for the Association business. The days of leave will be contingent on approval by the building principal. The Association shall reimburse the Service Center for the substitute teacher's pay. The day(s) of leave shall not be charged personally to the teacher(s) using the day(s).

SECTION I: Bereavement Leave – Each teacher shall be allowed three (3) paid non-accumulative bereavement days, for each death in the immediate family. The immediate family shall be defined as: spouse/partner, children/dependents, parents, parents-in-law, siblings, grandparents, and grandchildren.

SECTION J: Leave Without Pay – The Board may grant leave without pay upon written request from the teacher. Such leave shall be granted at the sole discretion of the Board.

SECTION K: Work Related Injury Leave – In the event that the teacher has been intentionally injured by a student, the teacher will be allowed up to five days of leave per incident with no deduction in leave days, provided a doctor’s statement verifies that the teacher was unable to work due to the injury. This will be in accordance with service center policy GAOE.

ITEM X: EXPENSE REIMBURSEMENT FOR PROFESSIONAL LEAVE DAYS

SECTION A: Where possible the Northeast Kansas Education Service Center will arrange for direct billing of conference registration and motel expenses. The amount of expense reimbursement will be established by the Executive Director as a part of the professional leave approval.

ITEM XI: JUDICIAL LEAVE

A certified/license teacher shall be granted leave for jury duty or to appear in a court of law as a subpoenaed witness, except if the teacher is a complainant against NEKESC or any of the seven school districts. Any compensation, except expenses, shall revert to NEKESC. No deductions of personal leave, or loss of pay, shall be made for judicial leave.

ITEM XII: SICK LEAVE BANK

SECTION A: Each newly employed teacher will donate one (1) day of leave to the Sick Leave Bank at the beginning of the year. The Board will also place days accumulated over seventy at the end of the contract year until the Bank has reached a lid of two hundred (200) days.

SECTION B: No teacher may use the Sick Leave Bank until his/her accumulated sick leave and personal leave have been exhausted. Sick leave from the Sick Leave Bank will be applicable for emergency/unexpected illness or injury of the teacher or immediate family. Immediate family includes spouse, parents, and children. Use of Sick Leave Bank is limited to twenty (20) days per school year per individual. No more than forty (40) days may be owed to the bank at any time. All requests to borrow days must be for the current contract year.

SECTION C: A doctor’s statement shall be required to verify legitimate use of the Sick Leave Bank and must accompany the request to use the Sick Leave Bank. The doctor’s statement should include the dates and nature of the illness/emergency for which days are being requested.

SECTION D: Eligibility for participation in the Sick Leave Bank shall be limited to any teacher of the Northeast Kansas Education Service Center who is under continuous employment of the Service Center.

SECTION E: A Bank Review Standing Committee shall be composed of the executive director, one Board member, and three teachers selected by the Association. Two teachers must attend a requested Sick Leave Bank meeting. The three teachers will serve for at least three years with at least one continuing if others are replaced. The Association will provide the Clerk of the Board a list of committee members.

SECTION F: To borrow from the Sick Leave Bank, the teacher will send a written application (Sick Leave Form) along with a doctor's statement to the Clerk of the Board by June 5th and ask the committee to meet at the June Board meeting. The Clerk will notify the committee members of the request and meeting time and provide the committee with the application and statement. Each committee member will have one vote. A majority of three (3) votes is needed to approve any or all of the requested days. The application is dropped if the three votes are not obtained. One of the standing committee teachers will serve as chair of the Sick Leave Bank Review Committee; the other will take minutes and send copies to the committee members, Clerk of the Board, Business Manager, and requesting teacher.

The Sick Leave Bank Review Committee may also be asked in writing to seek donated days on behalf of a teacher to a) pay back days the individual owes the bank or b) receive days when the teacher has exhausted sick, discretionary, personal, and sick leave bank resources. Donated days may not bring the total leave including all employee leave time, (sick, discretionary, personal, and sick bank requested days) in any given school year above 60 days. The Board will make final approval of the donation.

SECTION G: To return borrowed days to the bank, the teacher will pay at least one (1) day at the beginning of the contract year. If more than ten days are owed, one (1) day for every ten (10) days owed will be paid until all borrowed days are repaid. The teacher's unused sick, discretionary, or personal leave at the end of the contract year will also be automatically placed in the Sick Leave Bank in August of the following contract year. If the teacher leaves the Service Center's employment any time during the year, the bank will receive any accrued unused sick, discretionary, or personal leave days from the teacher. The payback of borrowed days will be made even if the bank is at two hundred (200) days.

SECTION H: Sick and personal leave days over 30 of retiring teachers will be added to the Sick Leave Bank in August. Unused sick and personal leave days of teachers leaving Service Center employment at the end of the contract year will be added to the bank in August.

SECTION I: If the Sick Leave Bank is used to its limit or has twenty or fewer days, then the Sick Leave Bank will be reevaluated by the Board and the Association as to its renewal and by what means. This will take place during the following negotiations session.

ITEM XIII: PAY INCREMENTS AND DIFFERENTIALS

SECTION A: The Board agrees to pay a base salary of \$36,817.

SECTION B: It is agreed that all certified/licensed teacher will be entitled to any increase in base salary.

SECTION C: It is agreed that certified/licensed teachers with a Master's Degree who have earned an additional forty (40) or more college credit hours, be granted a career differential equivalent to the Specialist column on the Northeast Kansas Education Service Center's teacher salary schedule.

SECTION D: In-service points approved by the Local Professional Development Council shall be credited toward movement on the salary schedule at the rate specified in the Kansas In-Service Plan, currently twenty (20) in-service points equaling one (1) college hour. Prior to the Master's Degree, movement with credit from in-service points may not account for more than one-half (1/2) of the hours necessary for movement to the next column. At Master's Degree and beyond, movement on the salary schedule may be made on college hours and/or approved application and impact PDP points. College hours or in-service points must be submitted to the director on or before September 1st for credit during the current school year.

SECTION E: The salary schedule step shall be determined by the Board upon the recommendation of the executive director. The determination of placement shall be made at the time of employment.

SECTION F: Speech Language Pathologist shall be placed initially at MS+30, unless education achievement places at higher level. This accommodation is made in reflection to the disparity between need for licensed Speech Language Pathologist and availability of qualified personnel.

SECTION G: Movement on the salary schedule is limited to one step experience per year with the following exceptions: All M.S., M.S.+10, M.S.+20, and M.S.+30 placements, who have been at the bottom of their columns, will move one or two steps as is applicable. Teachers initially placed on the salary schedule at a step that does not reflect actual experience may catch up, upon attaining tenure, at no more than five experience steps per contract year until the number of years of actual verified certified /licensed experience is reached. In the case where a certified/licensed teacher is granted an advanced degree, the certified/licensed teacher will be paid the salary in the horizontal column that corresponds to that degree at the beginning of the new contract year.

SECTION H: A twenty-step salary schedule will be in effect with the following provisions: The Board and the Association will make a good faith effort to keep Keystone teachers at the average of the top two member districts. There will be an annual review and comparison of current salaries and health fringe benefits of the top two districts based upon average daily rates. At a minimum, comparison will occur at base, top salary, and median masters. This comparison will occur for the purpose of negotiating the Keystone salary schedule and fringe.

ITEM XIV: FRINGE BENEFITS

SECTION A: The Board shall establish a fringe benefit program to comply with Section 125 of the Internal Revenue Code. The Board shall provide the opportunity for each certified/licensed teacher to execute a salary reduction agreement on or before September 1st to cover all premiums for the certified/licensed teachers' selected benefits. Teachers hired after September 1st shall have fifteen (15) days from the date of employment to complete the salary reduction agreement. Once the annual allocation for each selected benefit is made, the only change which will be allowed is as a result of a change in family status as provided by federal statute or regulations.

SECTION B: The maximum Employee Voluntary Salary Reduction Contribution may not exceed the dollar amount needed to purchase the benefits selected from the following list:

- | | |
|---------------------------|----------------------------------|
| 1) Group health insurance | 5) Salary protection insurance |
| 2) Dental insurance | 6) Medical expense reimbursement |

The cancer insurance carrier will be American Fidelity, Security Benefit, Reliant, or such other carrier and benefits as approved by the Board. The vision insurance carrier will be Security Benefit or such other carrier and benefits as approved by the Board. The salary protection insurance will be purchased through American Fidelity Assurance Company, Ogden Financial Services, Reliant, or such other carrier and benefits as approved by the Board.

SECTION D: Separate from the employee fringe benefit, any teacher presently employed with the Northeast Kansas Education Service Center who contributes to a 403 B shall be permitted to remain with those programs with the cost paid from the teacher's taxable salary. Teachers new to the Service Center who select a tax deferred 403 B while employed by the Northeast Kansas Education Service Center will contract with Union Central Life Insurance Company, Security Benefit Life, American Fidelity, T. Rowe/Price, Waddell Reed, or Reliant. Enrollments or changes to the tax sheltered 403 B program will be allowed at any time during the year. No new carriers will be considered by the Board unless they have at least five (5) people willing to enroll. Approval of carriers is subject to carrier willingness to comply with a service agreement as specified by a NEKESC designated administrator of 403(b) plans.

SECTION E: Also separate from the fringe benefit but a part of employee deductions, teachers may choose to join the Special Education Teachers' Association (SETA). They may elect to have their professional dues deducted in ten (10) equal installments beginning in September of each year. Any request for dues deduction must be in writing and filed with the Service Center on or before September 1st of each year.

SECTION F: A dependent care option as well as a medical expense reimbursement option may be included in the options of a salary reduction plan for the Service Center provided such plan is administered by a third party and any expenses of such plan are paid by the employees using the dependent care election or the medical expense election.

SECTION G: In addition to the fringe benefit program established according to Sections "A", "B", and "C" of this item, the Board will pay a fringe benefit of \$400.00 for SINGLE and \$600 for FAMILY (anything above a single premium) per month for each full-time teacher to be applied to the purchase of health insurance in the program approved by the Board. The amount shall be applied to the purchase of group health insurance, dental insurance, cancer insurance, vision insurance, and salary protection only and may not be taken as cash or as a part of the Section 125 Fringe Benefit Plan. This fringe benefit will be pro-rated in the case of employees who are contracted for less than full-time work.

SECTION H: The \$400/\$600 per month Insurance Fringe Benefit will not be paid during periods of unpaid leave; exceptions will be made in the case of FMLA leave. The Board will prorate any insurance refunds based on the proportionate contribution of the Board and certified/licensed teacher.

SECTION I: EARLY RETIREMENT

The Board of Education will grant early retirement to any full time certified/licensed teacher who qualifies under the current KPERS (Kansas Public Employees' Retirement System) formula guidelines of (85) points.

1. Eligibility: Any full time certified/licensed teacher of Interlocal 608 who has been employed for ten or more years by the NEKESC or a total of ten years with the NEKESC and/or participating districts or schools.
2. Benefit: An eligible certified/licensed teacher who submits in writing a copy of intent to retire by March 1, will receive the \$400 for a single health plan in Item XIV, Section G of each new contract in continued coverage of the group health insurance plan for three years from the anniversary date of such actual retirement, until Medicare eligible or upon death. - c. Said fringe benefit amount will be transmitted by the NEKESC to the group health insurance provider.
- d. Retired employee is responsible for providing his/her current mailing address, phone number and proof of retirement according to KPERs.

SECTION J: NATIONAL BOARD CERTIFICATION

ITEM XVII: BOARD'S RIGHTS CLAUSE

SECTION A: In the event the Board determines that the size of the teaching staff should be reduced, guidelines in this section shall be followed. As far as possible, reduction of staff shall be accomplished by attrition due to resignations and retirements.

SECTION B: The following steps will be utilized by the Service Center's administrative staff to reduce the teaching staff:

Subparagraph 1: To determine the number of certified/licensed teaching positions to be reduced, the administrative staff will ascertain the educational program for the Service Center and meet the educational goals established by the Board. The number of teachers needed to implement the Service Center's educational program will then be determined by the administrative staff based on those educational goals as determined by the Board.

Subparagraph 2: All teachers will be evaluated in relation to the educational goals of the Service Center. Individual qualifications and specific skill areas or disciplines shall be ascertained and applied to the certified/licensed teacher needs of the Service Center. Evaluation forms, instruments or tools will be used to measure each certified/licensed teacher's teaching ability. Prior evaluations, certification and teaching assignments may also be considered.

Subparagraph 3: In the event two or more certified/licensed teachers have similar qualifications and skills in a teaching area deemed necessary to fulfill the Service Center's educational goals, the executive director will recommend the tenured teacher, if any, for the position in question. A qualified tenured teacher shall be retained over a non-tenured teacher.

SECTION C: Any certificated/licensed teacher who is not re-employed as a result of reduction of the teaching staff shall be considered for re-employment if a vacancy exists for which the teacher is qualified and certified. The executive director will recommend to the Board reinstatement of any such certified/licensed teacher whom he/she deems qualified and able to serve the best interests of the Service Center. The Board shall not be required to consider reinstatement for any certified/licensed teacher after a period of one (1) year from the date of non-renewal.
